

## THE NAIROBI HOSPITAL

---

### Career Opportunity

---

The Nairobi Hospital, a leading health care institution in Eastern Africa has an excellent career opportunity for an individual who possesses a passion for excellence, strong work ethic, results oriented and committed to continuous improvement. The successful candidate will be a team player with the ability to effectively add value to enabling good patient outcomes and shape best clinical and non-clinical practice in line with our Strategic Plan (2025-2029).

#### **Locum- Specialist Radiologist (Part Time)**

**REF: TNH/HRD/SR/07/2025**

The overall purpose of this job is to review, interpret and report on radiographic images in order provide accurate diagnosis on patients test results in line with established protocols and the Hospital's patient care objectives.

#### **ROLES AND RESPONSIBILITIES**

- Evaluate patients' medical histories to ensure the various medical imaging procedures will not harm them and recommend alternative medical imaging techniques, where necessary;
- Communicate the medical imaging process to patients in line with requirements;
- Carry out examinations on patients using computer tomography (CT) scanners and magnetic resonance imaging (MRI) machines and provide technical findings on test results for use in diagnosis and treatment;
- Perform and/or guide radiology staff to carry out image-guided diagnostic procedures in line with established protocols;
- Interpret patients' test results from diagnostic imaging procedures to determine accurate diagnoses;
- Communicate and discuss results and diagnoses with physicians;
- Compile reports on test results and diagnoses;
- Carry out emergency procedures on patients in line with medical protocols in case of resuscitations, bleeding, or infections among others as and when required;
- Participate in research activities in radiology in line with set objectives;
- Participate in the development and review of protocols in the radiology department; and
- Any other responsibilities that may be assigned to the job holder by the supervisor from time to time.

## **EDUCATION AND EXPERIENCE**

- Master's degree in Radiology from a recognized institution.
- Bachelor of Medicine and Surgery degree from a recognized institution.
- Must be registered with the Kenya Medical Practitioners and Dentist Council and hold a valid practicing licence.
- Minimum of 5 years practicing experience in Radiology.

## **CORE COMPETENCIES**

- Ability to review and interpret radiographic images
- Imaging skills including MRI, Ultra Sound, x-ray, fluoroscopy and CT Scan
- Ability to develop and ensure implementation of radiology protocols
- Knowledge of radiation safety standards
- Knowledge of quality management systems related to radiology
