

CICELY McDONELL COLLEGE OF THE HEALTH SCIENCES

SERVICE DELIVERY CHARTER

Vision

To be a Centre of excellence in healthcare training in the region providing world class professional education and service.

Mission

The Cicely McDonell College of Health Sciences is a Centre of excellence for the training of Nurses both at the basic and post basic levels. The College enhances the quality of care delivered to individuals, groups and the community by producing market fit nurses through provision of innovative and comprehensive programs of study.

Values

Excellence, Respect, Educational access, Holistic development, Integrity and Partnership.

Mandate

The Charter communicates our commitment to provide consistent and professional services to our customers. It is a demonstration and a reflection of the College's dedication to meeting and exceeding our stakeholder's expectations.
